JOB ORIENTATION PROGRAM

School of Open Learning, Delhi University jointly with ICICI Foundation for Inclusive Growth running a Free Training Program of two months for the students. Upcoming Job Orientation Program will start from October 2021.

Students of Graduation or Post graduation either they are drop out or fail can also apply for the Training Program

The Highlight of Course is a follow:

The course initiated is Selling Skills using Digital Medium. The 81 hours course (1.5 hours a day class) will help them learn through live sessions (online and offline) with home assignments on topics like **telesales**, customer centricity and other selling skills aspects. It will work on hybrid mode i.e.; the trainees will have to attend the classes digitally for 46 days and will attend the training at SOL for 8 days with duration of one-and-half hour per session per day.

The trainees need to have a photo id proof and educational documents to be submitted for records.

Age Criteria: 18 years to 30 years

Educational Qualification: 12th Pass and above

Good internet connectivity for digital mode would be required, so that the learning is not impacted.
