Swachhta Saarthi Fellowship

(Office of the Principal Scientific Adviser to the Government of India)

The Office of the Principal Scientific Adviser to the Government of India under its “**Waste to Wealth**” Mission invites applications for the award of “**Swachhta Saarthi Fellowship**” to recognize students, community workers/self-help groups, and municipal/sanitary workers who are engaged in tackling the enormous challenge of waste management, scientifically and sustainably. The fellowship is an initiative to empower young innovators who are engaged in community work of waste management/awareness campaigns/waste surveys/studies, etc. as Swachhta Saarthis and implement actions to reduce waste for a greener planet.

The role of young students from schools and colleges, and citizens working in the community through Self Help Groups (SHGs), or in independent capacity, is key in sensitizing the communities towards waste management and offer innovative solutions for conversion of waste to value. This fellowship is aimed to empower interested students and citizens to continuously engage in their attempts to reduce waste in cities and rural areas.
